

## Student Parking

Student parking is limited to the lot north of the front entrance. This serves as due process notice that vehicles will be towed at the owner's expense if parked in unauthorized zones. Parking permits are required and may be obtained in room 709 throughout the school year. A parking permit does not guarantee a parking slot. Students are not to loiter in the parking lot or in their cars during class time, between classes, or during lunch time. Students' cars may be searched if there is suspicion of alcohol, drugs, stolen items, or as part of an arrest for violation of the law. Parking is prohibited in the staff parking lot located just south of the campus. For safety reasons, parking in neighboring communities is strongly discouraged.
