TO: Parent/Guardian and Cadet

FROM: AFJROTC Staff

SUBJECT: 2012 First-Year Field Trip

Your cadet is being considered to go on the First-Year Field Trip to Nellis Air Force Base on Tuesday, February 7, 2012. We will be visiting the Thunderbird Hanger, the Threat Museum, and the K-9 Police Dogs.

Lunch will be provided for your son or daughter.

We will be taking a bus to and from Nellis Air Force Base. Cadets will report to the JROTC room at 0730. We will be departing at 0800 and return to Palo Verde at 1415. Capt Doughty and MSgt Thome, as well as senior cadets, will supervise the cadets. Parents are responsible for transportation to and from PVHS.

The uniform of the day will be the service uniform with the light weight jacket. Those who do not meet proper grooming standards will not be able to go on the field trip. No fees required for this trip.

Please have this permission slip turned in by Thursday, February 2, 2012. The list of selected cadets will be posted Friday, February 3, 2012. In order to be selected, cadets must pass all of their PVHS classes. First-Year Cadets have priority on this trip, but if there is room, other year-groups will be selected.

Thank you for your cooperation and support.
